ORDER

16-CV-6467 (RMB) (KNF)

Since September 25, 2018, when the plaintiff made a motion for leave to file a second consolidated amended class action complaint, Docket Entry No. 172, significant developments occurred in this action, including the issuance of an order granting the plaintiff's motion for preliminary approval of a class action settlement, Docket Entry No. 188, and the filing of a motion for final approval of the class action settlement, Docket Entry No. 191. Considering the posture of the case, on or before August 16, 2019, the plaintiff shall file a letter informing the Court if his motion for leave to file a second consolidated amended class action complaint, Docket Entry No. 172, is still viable.
